Sir:

It is hereby requested that a Certificate of Correction under 37 C.F.R. § 1.323 be issued for the above-captioned United States Patent. This Certificate of Correction is being requested due to a mistake which appears in the printed patent. This mistake was made by the Patentees. The mistake is of a clerical or typographical nature, or of a minor character. Patentees submit that correction of this error does not introduce new matter.

Specifically, the printed patent contains the following error for which a Certificate of Correction is respectfully requested:

In column 12, line 21, delete "claimed in claim 2" and insert "claimed in
claim 1".

Remarks

In the Amendment and Reply filed May 16, 2005, original claim 2 was canceled with its limitations being incorporated into claim 1. Therefore, the reference to claim 2 in the specification should be changed to refer to claim 1. The above-noted correction does not involve such changes in the patent as would constitute new matter or would require reexamination.

A completed Form PTO/SB/44 accompanies this request, with the above-noted corrections printed thereon. Accordingly, a Certificate of Correction is believed proper and issuance thereof is respectfully requested.

This request is accompanied by payment of the fee set forth in 37 C.F.R. § 1.20(a). The Commissioner is hereby authorized to charge any fee deficiency, or credit any overpayment, to our Deposit Account No. 19-0036.

Respectfully submitted,
